The Great British Car Journey - 20th September 2022

We are delighted to invite fellows and their guests on a visit to the newest museum celebrating the British Car Industry. Set in the magnificent Derbyshire Peak District (DE56 2HE) the museum features over 120 carefully chosen British made vehicles from the Austin 7 to McLaren and you will learn more about each with innovative technology guiding you along. We will meet at 10 am for a bacon butty and an introductory talk from founder Richard Usher after which you are free to wander the exhibition meeting up again for a roast lunch in the museum's "Filling Station" restaurant. Our ticket price of just £30 includes entry, breakfast and lunch and more about what to expect can be found via www.greatbritishcarjourney.com. Join us for what deserves to become a regular feature on the FMI calendar – All welcome so make it a family and friends day out!
